Location: Spanker Creek Farm 2008

## Exhibitor Guidelines:

Spanker Creek Farm Arts & Craft Fair would like to welcome all artists and craftsmen to join our arts & craft fair. Below you will find a few guidelines to hopefully help us to have many successful fairs.

1. We offer a unique shopping atmosphere and require all exhibitors to provide their own canopy, tables, and decorations to maintain an attractive clean booth. No exhibit may have a flea market appearance.
2. Each booth will be evaluated for acceptance (we reserve the right to deny space or individual items space).
3. An exhibitor may not operate out of a vehicle or trailer or park next to their exhibit.
4. No sale or discount signs are to be displayed.
5. All logo and related items sold at the fair must be licensed to do so.
6. No generators are permitted to be used on the fair grounds. Unless pre-approved.
7. Inside booths are in a Large Circus Tents and are approximately 10 X 10. Outside booths are 12 X 12. Your entire display including stakes ropes, supports, etc. must be within these boundaries.
8. Electric is available for inside spaces for a fee applicable of wattage to be used. No electric heater, coffee pots, or radios are permitted. Each space is permitted no more than 120 watts per space, for example, 2-60 watt light bulbs, 3 40 watt light bulbs etc. Exhibitors requesting electric must bring a 50 ft. extension cord.
9. All outside spaces must be under a canopy, tarp, plastic or other type of overhead cover. Exhibitors must provide their own.
10. Exhibitors must be setup and present during all hours open to the guest.
11. All vehicles/trailers should be removed from the exhibit area immediately after unloading prior to display setup. On Sunday do not bring your vehicle into the exhibit area until you are packed. Vehicles will not be allowed in the exhibit area until 4:30 p.m. on Sunday.
12. Restroom facilities are available (Portable Toilets).
13. Security is provided each night of the fair. However, anyone associated with the fair accepts **no** responsibility for damage, thefts, or loss to exhibitors on their works.
14. Exhibitors and visitors to the fair will assume all risk of accident or injury. Neither Spanker Creek Farm nor anyone associated with the fair will be held responsible.
15. Any exhibitor in violation of any of the rules listed may be asked to leave.

All Rights Reserved by Spanker Creek Farm and anyone associated with the farm.
